

Architectural Programme

What could be more spectacular than an architectural chandelier custom built for the space it will occupy?

With the wide variety of finishes, styles and sizes available through Holtkötter, this option is suitable for every discerning customer.

Architectural Flemish Fixtures Würzburg Series

7312/6 Polished Brass

7333/3 Polished Brass

Highlights of our Würzburg series are:

- timeless elegance of the flat arm
- very detailed, elaborate scrollwork
- heavy castings in our world-class finish
- detailed support of the bobeches and candlecups.

The series is crafted for the connoisseur of old-world lighting fixtures.

Bulbs not included.
