DIMMER FEATURES

Point Dimming - the lamp may be turned on with a single click of the P1 dimmer.

Dimming Cycle - to adjust the lamp to the perfect light level for any situation, press and hold the P2 dimmer. The dimmer will cycle through all dimming levels. When the lamp achieves the light level of your choice, release the P2 dimmer.

Memory Feature - one touch to the P2 dimmer brings it back on to the last used setting, simply press the dimmer through the dimming cycle if a different setting is required.
