This Authentic Holland Delft wall sconce comes fully assembled.

IT IS FIRMLY RECOMMENDED THAT A LICENSED ELECTRICIAN INSTALL THIS FIXTURE.

Installation Instructions

Please use caution when handling the porcelain backplate.

1. Remove the crossbar strap from the back of the sconce. Unscrew the finished knob from the center of the backplate and carefully remove the porcelain backplate.
2. Mount the crossbar strap to the outlet box before making the wire connections.
3. Connect the wires from the sconce with the wires in the outlet box according to generally accepted electrical standards.
4. Mount the fixture to the crossbar strap. Screw the porcelain backplate back onto the fixture. Install up to a 60-Watt candelabra bulb (not included).

Your wall sconce is now operational.
