Your table lamp will come in two boxes; one for the shade and one for the base.

General Assembly Instructions

1. Install the shade: unscrew the metal ring (A) located on the socket of the lamp (see diagram).
2. Place the shade over the center stem. Screw the metal ring back into place, and tighten hand-tight.
3. Install the bulb of your choice (not included). Listed below are the maximum wattages according to the shade style.

A19 6121/1 with Cone Shade: Max. 75 Watts, Medium (Edison) A19 Base.
Med 6122/2 with Cone Shade: Max. 75 Watts, Medium (Edison) A19 Base.

A19 6121/1 with Regular Shade: Max. 100 Watts, Medium (Edison) A19 Base.
Med 6122/2 with Regular Shade: Max. 100 Watts, Medium (Edison) A19 Base.

Your lamp is now operational.

Care Instructions

Use only a soft, dry cloth to clean. If necessary, a slightly damp, soft cloth can be used to spot clean. Do not use common household cleaners on lamps or fixtures, as the lacquer on the outside of the brass may be damaged as a result.

Enjoy your Holtkötter lamp.
